# OUR COMPANY

Founded in 1999, Tintas Vinci is a wholly Brazilian company working to provide high performance solutions for a number of applications in the field of Protective Coatings, and Marine Coatings.

# HEADQUARTER

We are placed in the State of Rio de Janeiro, São Gonçalo city, at BR-101 Highway, which connects the main socio-economic hubs of the state. We are 18 km away from Rio-Niteroi Bridge and 25 km away from the new Petrochemical Complex of Rio de Janeiro (COMPERJ).

**Nelson Pena Street, 128, Santa Luzia, São Gonçalo - RJ**

---

# OUR MISSION

Provide our customers with anticorrosive and aesthetic protection at the best cost-benefit, by offering competitive and differential benefits such as product customization and Just-in-Time Delivery. All products are cost-effective, socially and environmentally responsible, further to complying with all the applicable regulatory requirements.

---

# OUR VALUES

Focus on results and continuous improvement, teamwork with agility and responsibility, be ethical and respectable, value people and safety, work with social responsibility and respect for the environment.

Running business with integrity, responsibility and professionalism, respecting principles, values and best practices of civic consciousness.

- ✔ **PUNCTUALITY**
- ✔ **VERSATILITY**
- ✔ **QUALITY**
- ✔ **PRODUCTIVITY**
- ✔ **TEAMWORK**
- ✔ **ETHIC**

# Sustainability

Having the purpose of running business in a responsible and sustainable manner, Tintas Vinci reaffirms its socio-environmental commitment to customers, suppliers, coworkers, competitors and community. We nurture the best corporate values and practices, aiming at the environment sustainability and ethical business. Ongoing actions and projects:

- ✓ **Development of new products in favor of reducing emissions of Volatile Organic Compounds (VOCs);**
- ✓ **Use of heavy metal-free pigments;**
- ✓ **Responsible use of energy;**
- ✓ **Responsible use of water;**
- ✓ **Conscious use of materials, avoiding wastes and losses;**
- ✓ **Storage of raw materials, intermediate products and wastes in sheltered areas having waterproof floor.**

# CERTIFICATIONS

We keep our quality management system in agreement with ISO 9001:2015, certified since 2007.

Additionally, in 2011 our company achieved a Petrobras product certification (CRC).

## PETROBRAS CERTIFICATIONS

- ✓ **N-2628:** Epoxy Finish
- ✓ **N-2629:** Solvent free Epoxy
- ✓ **N-2630:** Zinc Phosphate Epoxy Primer
- ✓ **N-1202:** Epoxy Red Oxide Primer
- ✓ **N-1661:** Zinc Ehtyl Silicate
- ✓ **N-2677:** Acrylic Polyurethane
- ✓ **N-2912 I, II e III:** Epoxy Novolac
- ✓ **N-2680:** Wet Surface epoxy coating

**Protective Coatings**

**Marine Coatings**

# SOLUTIONS

**Yacht Paint**

**Soluções em Pisos**

# PROTECTIVE COATINGS

- ✓ ACRYLIC
- ✓ ALKYD
- ✓ EPOXY
- ✓ COAL TAR EPOXY PAINT
- ✓ COAL TAR-FREE EPOXY
- ✓ FLOORINGS
- ✓ HIGH TEMPERATURE
